KiranaCloud Battlecard Template (Sales, internal)

1. Who they are: positioning, HQ, funding, target stores.
2. Where we win: Bengali-first app, offline billing on 2G, Kolkata field team of 22, WhatsApp onboarding in a day, GST returns included in Dukaan.
3. Where they win: fill in per competitor (price, multi-store, enterprise features).
4. Pricing response rules:
   - Never discount Dukaan below Rs 649/month without a board decision.
   - Answer a cheaper rival with annual billing (2 months free) and feature value first.
   - Escalate to Leadership when a rival undercuts Dukaan by 20% or more.
5. Objection handling: 'X is cheaper' -> total cost incl. GST filing and support; 'X has credit/UPI' -> Khata on UPI is on our roadmap (Q2 2027), offer early access.
6. Kolkata defence: when a funded rival hires sales staff in Kolkata, assign named field reps to our top 200 accounts within two weeks.
